

**CURRICULUM VITAE
KENNETH ALEXANDER MURRAY**

Date of Birth: September 15, 1950
Citizenship: Canadian

Place of Birth: London, Ontario
Marital Status: Married (3 children)

Undergraduate Education:

Bishop Ridley College St. Catharines, Ontario	1962-1969
University of Western Ontario, London, Ontario Graduate Bachelor of Arts (BA)	1969-1972

Degrees/Certificates:

Graduated MD, Dalhousie University Halifax, Nova Scotia	1972-1976
LMCC, Medical Council of Canada	1976
FRCSC, Canadian Surgery Fellowship	1981
FLEX	1982
American Plastic Surgery Boards (I, II)	1983
Fellow American College of Surgeons (FACS)	1985
Certificate of Added Qualification for Hand Surgery	1990

Training/Courses

Certificate of Completion of a clinical training course on the use of the UltraPulse CO2 Laser for Aesthetic Applications	1995
Preceptorship/Training Course on the Erbium Laser	1998
Training Course on Blue Peel Obagi	1998
Botox Cosmetic Training Session	2001
Artecoll Training Seminar	2001
Training Course on Fluoroscopy for non-Radiologists	2002
Workshop on Botox (Facial Aesthetics: Chemodenervation for Experts (FACE)	2003

Medical Training

Surgical Rotating Internship Victoria Hospital University of Western Ontario London, Ontario	1976-1977
Assistant Resident, General Surgery St. Joseph's Hospital and Victoria Hospital University of Western Ontario London, Ontario	1977-1978

Assistant Resident, Orthopedic Surgery
St. Joseph's Hospital, Victoria Hospital and University Hospital
University of Western Ontario
London, Ontario 1978-1979

Assistant Resident, Plastic Surgery
St. Joseph's Hospital and Victoria Hospital
University of Western Ontario
London, Ontario 1979-1980

Senior Resident, Plastic Surgery
Victoria Hospital
University of Western Ontario
London, Ontario 1980

Senior Resident, Plastic Surgery
University Hospital
University of Western Ontario
London, Ontario 1981

Licensure:

Province of Manitoba 1982- Present
State of Illinois 1982-1987

Fellowships:

Hand Fellowship, Plastic Surgery
University Hospital
University of Western Ontario
London, Ontario 1981

Clinical Fellow, Microsurgery
Southern Illinois University School of Medicine
Springfield, Illinois 1982

Appointments:

University of Manitoba

Section Head, Department of Surgery
Section of Plastic Surgery
University of Manitoba
Winnipeg, Canada October 1999-2003

Program Director
Department of Surgery
Section of Plastic Surgery
University of Manitoba
Winnipeg, Canada July 1996-Oct.2006

Professor
Department of Surgery
Section of Plastic Surgery
University of Manitoba
Winnipeg, Canada 2009-present

Associate Professor
Department of Surgery
Section of Plastic Surgery
University of Manitoba
Winnipeg, Canada 1995-2009

Assistant Professor
Department of Surgery
Section of Plastic Surgery
University of Manitoba
Winnipeg, Canada 1986-1995

Demonstrator
Department of Surgery
Section of Plastic Surgery
University of Manitoba
Winnipeg, Canada 1982-1986

Department of Surgery Undergraduate
Education Committee
University of Manitoba
Winnipeg, Canada 1984-1991

Hospital

Active Staff
St. Boniface General Hospital
Winnipeg, Canada

Head, Section of Plastic Surgery
Misericordia General Hospital
Winnipeg, Canada July 1996-Dec 1998

Active Staff
Health Sciences Centre
Winnipeg, Canada

Consulting Staff
Victoria General Hospital
Winnipeg, Canada

Consulting Staff
Grace General Hospital
Winnipeg, Canada

Consulting Staff
Western Surgery Center
Winnipeg, Canada

Consulting Staff
Maples Surgery Center
Winnipeg, MB

Consulting Staff
Misericordia Hospital
Winnipeg, Canada

RESEARCH AWARDS

- | | |
|--|-----------|
| Paul H.T. Thorlakson – Research Foundation Award
Murray, K. (Principal Investigator), Rebot, M., Ziesmann, M.
Comparison of Wound Healing in Normal and Radiated Microsurgical
Free Tissue Transfers. | 1985 |
| Davis & Geck – Research Award | 1985 |
| Health Sciences Foundation Grant, \$33,200
Morphologic Analysis of the Carpal Tunnel and Median Nerve
Following Endoscopic Carpal Tunnel Release | 2004-2005 |
| Dr. Kunaal Jindal (Resident) won the Mr. Justice James E. Wilson Award,
(\$1000). Co-Supervisors: Pang, C., McAllister, S., Murray, K.A.
Efficacy and Mechanism of the Sodium/Hydrogen Exchange Inhibitor
Cariporide in Protection of Skeletal Muscle Against Ischemia/Re-Perfusion
Injury | 2006 |
| FM Woolhouse Award for the best clinical presentation by Islur, A.,
Memauri, B.F., Bock, H., Turner, R.B., Murray K.A., Morphologic Analysis
of the Carpal Tunnel and Median Nerve Following Endoscopic Carpal Tunnel
Release. | 2006 |
| Awarded Best Clinical Paper at the American Society of Peripheral Nerve. | 2008 |

COMMITTEES

International

American Board of Plastic Surgery

Examination Committee 2007-

American College of Surgeons

Advisory Council for Plastic and Maxillofacial Surgery 1999-2004

American Society of Plastic Surgeons

Scientific Program Committee – Microsurgery Subcommittee (ASRM)	2000-2001
Ask Peers Committee	1995-1996
Scientific Program Committee	1993-1994
Undergraduate Representative, Plastic Surgery Educational Foundation Manitoba and Saskatchewan	1983-1987

American Society for Reconstructive Microsurgery

Audit and Finance Committee	1993-1994
Membership Committee	1987-1988

American Association for Hand Surgery

Marketing Committee	1994-1996
---------------------	-----------

American Society for Surgery of the Hand

Videotape Library Committee	1995-1998
-----------------------------	-----------

International Federation Society for Surgery of the Hand

Scientific Program Committee for 1998 Meeting	1997-1998
---	-----------

NATIONAL**Royal College of Physicians and Surgeons of Canada**

Examiner, Plastic Surgery	2006
Chief Examiner – Examining Board in Plastic Surgery	1993-1995
Examiner	1989-1995
Examination Committee in Plastic Surgery	1997-1998
Specialty Committee in Plastic Surgery	1985-1989

Canadian Society of Plastic Surgeons

President, CSPA	2005-2006
Chair, Scientific Sessions	2005
Vice-President CSPA	2004-2005
Co-Chair, Scientific Session III (Residents Corner)	2002
Co-Chair, Scientific Session II (Residents Corner)	2001
Chairman, Local Organizing Committee, CSPA 2000	1999-2000
Board of Directors	1993-1995 1998-2007
1997 Program Committee	1996-1997
Communications Committee	1993-1997
Public Relations Committee, Chairman	1998-2000
Historian	2001-2003
The Ross A. Tilley Scholarship Selection Committee	1993-1996
Nominating Committee	1991-1992

Chair, Nominating Committee
Judicial Committee

2006-
2008-

Education Foundation of CSPS

President, Educational Foundation
Vice-President, Educational Foundation
Secretary-Treasurer, Educational Foundation
Treasurer, Educational Foundation

1993-1995
1989-1991
1989-1991
1986-1989

GAM Canada (Canadian Microsurgical Society)

President
Secretary-Treasurer

1989-1991
1987-1989

MANUS Canada (Canadian Society for Surgery of the Hand)

President
Vice-President

1992-1994
1990-1992

Canadian Society for Aesthetic Plastic Surgery

Public Relations Committee

1996-1997

PROVINCIAL**Manitoba Medical Association**

Secretary-Treasurer, Section of Plastic Surgery	1988-2002
Economic Policy Committee	1995-1999
Compensation Committee	1997-2000
Economic Advisor, Section of Plastic Surgery	
Chairman, Fee and Income Disparities Committee	1991-1995
Member	1987-1995
Ad Hoc Committee on Consultant Selection	1990-1994

HOSPITAL**Misericordia Hospital**

Surgical Review Committee	1991-1998
Surgical Program Team Committee	1993-1998
Surgical Executive Committee	1996-1998
Infection Control Committee	1993-1998
Credentials Committee	1991-1995
Quality Assurance Committee	1990-1993
Emergency Department Committee	1986-1988

St. Boniface Hospital

Medical Advisory Committee	1991-1994
NFA Committee	1987-1993
Standards Committee	1984-1991
Executive Committee, Department of Surgery, Departmental Secretary	1988-1989
Library Committee	1984-1987

University of Manitoba

Postgraduate Committee	1996-2006
Resident Program Committee	1996-present
Chairman	1996-2006

MEMBERSHIPS

The Royal College of Physicians and Surgeons of Canada
 Canadian Society of Plastic Surgeons
 Canadian Medical Association
 Manitoba Medical Association
 American Society of Reconstructive Microsurgery
 MANUS Canada
 American Association for Hand Surgery
 Phi Chi Medical Fraternity
 American College of Surgeons

GAM Canada (Microsurgical Society of Canada) – Founding Member
Canadian Society for Aesthetic (Cosmetic) Plastic Surgery
Lipoplasty Society of North America (Past Member)
American Association of Plastic Surgeons
American Society for Surgery of the Hand
American Society of Plastic Surgeons
International Confederation of Plastic Surgery (Past Member)

TEACHING

Medicine II Clinical Teaching Groups
Lectures to Medicine III
Lecturer – Hand Surgery for Combined Plastic and Orthopedic Surgery
Faculty – Microsurgical Day – University of Manitoba – Faculty of Medicine – Centennial Project – October 1st, 1983
Tutorials in Plastic Surgery for Plastic Surgery Residents (Converse Club)
Founder & Chairman – Annual Residents Day – Section of Plastic Surgery – 1985-2006
Faculty – Burns Symposium – University of Manitoba – May 1985
Lecturer and Microsurgery – Operation Smile, Nairobi, Kenya – September 2nd-14, 1991
Operation Smile, Hanoi, Vietnam, March 6-19, 1995
Operation Smile, Saigon, Vietnam, March 11-24, 1996
Operation Smile, Hanoi, Vietnam, March 3-12, 1997
Weekly Rounds, Section of Plastic Surgery, University of Manitoba
McCarthy Rounds (Weekly Teaching Rounds), St. Boniface Hospital, University of Manitoba
Nominated for Most Outstanding Clinician, University of Manitoba, 1989-1990
Visiting Professor at Resident's Research Day in London, Ontario, April 25, 1997
Guest Lecturer at the Primary Care of the Hand and Wrist Conference in Saskatoon, Saskatchewan, April 23-25, 1998.
Nominated Outstanding Clinical Teacher – University of Manitoba, 2003
Resident Appreciation Award, Section of Plastic Surgery, 2004 & 2007

PRESENTATIONS (NATIONAL & INTERNATIONAL)

1. Murray, K.A. and Hawkins, R.J.: Sympathetic dystrophies in the upper extremity. Orthopedic Residents Day, University of Western Ontario, 1979.
2. Murray, K.A. and McFarlane, R.M: Tangential excision in the upper extremity burn. Plastic Surgery Residents Day, University of Western Ontario and Canadian Society of Plastic Surgeons, Banff, Alberta, June 1980.
3. Murray, K.A.: Synovial sarcoma – case report and review. Plastic Surgery Residents Day, University of Western Ontario and Canadian Society of Plastic Surgeons, Vancouver, British Columbia, June 1981.
4. Murray, K.A.: Lectures in plastic surgery (Burns, Hand Surgery) to medical students, University of Western Ontario, London, Ontario.
5. Assadi, M., Murray, K.A., Russell, R.C., Zook, E.G.: Experimental evaluation of free tissue transfer revascularized by microsurgical technique to promote healing of contaminated wounds in dogs. American Society of Plastic and Reconstructive Surgeons, Hawaii, 1982.

6. Murray, K.A., Russell, R.C., Zook, E.G.: Poster session for permanent collections. American Society for Surgery of the Hand and presented at the VIII International Congress of Plastic Surgery, Montreal, Quebec, June 1983.
7. Nguyen L. Murray, K.A., Singh, G.B.: Reconstruction of difficult defects of the trunk. Presented at the Annual Meeting of the Canadian Society of Plastic Surgeons, Winnipeg, Manitoba, June 1984.
8. Murray, K.A., Rebot, M.T., Singh, G.B., Russell, R.C.: The deltoid free flap. Presented at the Annual Meeting of the Canadian Society of Plastic Surgeons, Winnipeg, Manitoba, June 1984. Presented to the Annual Meeting of the British Microsurgical Society, London, England, September, 1984. American College of Surgery Manitoba Chapter, December 1984 – second place award. Chosen paper to represent University of Manitoba – American College of Surgery. Chosen paper to represent Western Canada for the American College of Surgery Meeting, March 1985. Winner 3rd prize American College Surgery Meeting, Dallas, Texas, March 1985.
9. Murray, K.A. and Ziesmann, M.: A comparison of standard microvascular anastomotic techniques and the sleeve technique. Presented at the Annual Meeting of the Canadian Society of Plastic Surgeons, Winnipeg, Manitoba, June 1984. American College of Surgery Manitoba Chapter – third place award.
10. Fultz, J., Murray, K.A., Singh, G.B.: Breast reconstruction with transverse rectus abdominis myocutaneous (TRAM) flap. Presented at the Annual Meeting of the Canadian Society of Plastic Surgeons, June 1984.
11. Murray, K.A., Singh, G.B.: Romberg's disease – a case study. Presented at the GAM Canada Meeting, Charlottetown, P.E.I., June 1985.
12. Murray, K.A., Singh, G.B.: Reconstruction of the weight bearing surface. Presented at the Canadian Society of Plastic Surgeons Meeting, Victoria, British Columbia, May 1987.
13. Singh, G.B., Murray, K.A.: TRAM flaps. Presented at the Canadian Society of Plastic Surgeons Meeting, Victoria, British Columbia, May 1987.
14. Waters, W.R., Murray, K.A.: Progress in penile reconstruction Presented at the Canadian Society of Plastic Surgeons Meeting, Victoria, British Columbia, May 1987. Presented at New York Association of American Urological Society, Vienna, Austria, October 1987. Presented at American Association of Plastic Surgery, Palm Beach, Florida, May 1988. Presented at the International Symposium on Plastic Surgery, Australia, September 3rd, 1990.
15. Dolynchuk, K.N., Murray, K.A., Bowness, J.M.: Tissue transglutaminase levels in Dupuytren's disease. Presented at the Canadian society of Plastic Surgeons Meeting, Pointe-Au-Pic, Quebec, June 1988.
16. Singh, G.B., Onotera, R., Jarmuske, M., Murray, K.A.: Autogenous reconstruction of the breast. Presented at the Canadian Society of Plastic Surgeons Meeting, Edmonton, Alberta, June 1989.
17. Murray, K.A., Singh, G.B.: Two digit en bloc transfer for the transmetacarpal hand. Presented at the GAM Canada Annual Meeting, Moncton, New Brunswick, June 20th, 1990.

18. Murray, K.A., Hurst, L.N., Evans, H.B.: The experience with modified Robertson reduction mammoplasty. Presented at the International Symposium on Plastic Surgery, Australia, September 1990.
19. Murray, K.A., Buncke, G.M.: Teaching session on microsurgical thumb reconstruction. Presented at American Association for Hand Surgery, Boston, Mass., October 27th, 1990.
20. Hong, C., Slivinski, J.M., Murray, K.A.: Dynamic tractions splintage for displaced intra-articular proximal intra-phalangeal joint fracture. Presented at the Canadian Society of Plastic Surgeons Meeting, Whistler, B.C., June 26th, 1991.
21. Murray, K.A.: Challenges in reconstructive microsurgery, Kenya Surgical Society, Nairobi, Kenya, September 1991.
22. Murray, K.A.: Flap Course, University of Kenya, Nairobi, Kenya. September 1991.
23. Murray, K.A.: Instructional course on common tumors of the hand, American Society of Plastic and Reconstructive Surgery, Seattle, Washington, September 26, 1991. (Accepted for publication in Volume Five of Instructional Courses, P.S.E.F., published by C.V. Mosby Company.) See page 13. This course also given at the American Society of Plastic and Reconstructive Surgery Meeting in Washington, D.C. on September 24, 1992. Given at the American Society of Plastic and Reconstructive Surgery Meeting in New Orleans on September 20, 1993. Given at the American Society of Plastic and Reconstructive Surgery meeting in San Diego on September 28, 1994.
24. Murray, K.A.: Dynamic traction splinting for PIP joint injuries, British Virgin Islands Workshop in Plastic Surgery, Road Town, Tortola, B.V.I., January 1993.
25. Murray, K.A.: Expanded skin grafts for facial lesions, British Virgin Islands Workshop in Plastic Surgery, Road Town, Tortola, B.V.I., January 1993.
26. Murray, K.A.: Dynamic traction splinting for PIP joint injuries, MANUS Canada Meeting, Montreal, May 30, 1993.
27. Murray, K.A., McIntyre, Fiona BOT: Poster Presentation of Dynamic traction splinting for PIP joint injuries, American Association of Hand Surgery meeting, Marco Island, Florida, January 14, 1995.
28. Tadjalli, H.E., McIntyre, Fiona BOT, Dolynchuk, K.N., Murray, K.A.: Poster Presentation of Digital nerve repair: relationship between severity of injury and sensibility recovery, American Association of Hand Surgery Meeting, Marco Island, Florida, January 14, 1995.
29. Tadjalli, H.E., McIntyre, Fiona BOT, Dolynchuk, K.N., Murray, K.A.: Poster Presentation of The importance of cross-over innervation in digital nerve repair demonstrated by nerve isolation technique, American Association of Hand Surgery Meeting, Marco Island, Florida, January 14, 1995.
30. Murray, K.A.: Digital nerve repair: how good are we?, 9th Annual British Virgin Islands Workshop in Plastic Surgery, Tortola, B.V.I., January 25th, 1995.

31. Murray, K.A.: Surgical alternatives for thumb reconstruction, Operation Smile Scientific Program, Hanoi, Vietnam, March 10, 1995
32. Murray, K.A.: Progress in penile reconstruction, Operation Smile Scientific Program, Hanoi, Vietnam, March 10, 1995.
33. Murray, K.A.: Breast reconstruction, Operation Smile Scientific Program, Saigon, Vietnam, March 1996.
34. Murray, K.A.: Radial artery flap, Operation Smile Scientific Program, Saigon, Vietnam, March 1996.
35. Murray, K.A.: Lateral arm flap, Operation Smile Scientific Program, Saigon, Vietnam, March 1996.
36. Murray, K.A.: Toe-to-thumb transfer, Operation Smile Scientific Program, Saigon, Vietnam, March 1996.
37. Murray, K.A.: Cadaver course on flap dissection. Operation Smile Scientific Program, Saigon, Vietnam, March 1996.
38. Neumeister, M., Murray, K.A.: Calcinosis of the hand in scleroderma: a case report, MANUS Canada Annual Meeting, Halifax, Nova Scotia, May 1996.
39. Murray, K.A.: Breast reconstruction, Operation Smile Scientific Program, Hanoi, Vietnam, March 1997.
40. Murray, K.A.: Breast reconstruction, Operation Smile Scientific Program, Hanoi, Vietnam, March 1997.
41. Murray, K.A.: Breast reconstruction, Visiting Professor at Resident's Research Day, London, Ontario, April 25, 1997.
42. Murray, K.A.: Thumb reconstruction, visiting Professor at Resident's Research Day, London, Ontario, April 25, 1997.
43. Murray, K.A.: A practical Guide to Diagnostic Imaging of the Upper Extremity, Guest Lecturer at the Primary Care of the Hand and Wrist Conference, Saskatoon, Saskatchewan, April 23, 1998.
44. Murray, K.A.: Assessment and Overview of Treatment of Flexor Tendon Injury, Guest Lecturer at the Primary Care of the Hand and Wrist Conference, Saskatoon, Saskatchewan, April 24, 1998.
45. Murray, K.A.: Rheumatoid Hand, Guest Lecturer at the Primary Care of the Hand and Wrist Conference, Saskatoon, Saskatchewan, April 24, 1998.
46. Murray, K.A.: Live Video Workshop on Handling Finger Tip Injuries How to Amputate a Finger, and Regional Blocks, Primary Care of the Hand and Wrist Conference, Saskatoon, Saskatchewan, April 25, 1998.

47. Storm, Bradley W, Murray, K.A.: Instructional course on endoscopic carpal tunnel release with Dr. Murray demonstrating the 3M Age technique, American Society of Plastic and Reconstructive Surgery Meeting, New Orleans, Louisiana, October 23, 1999.
48. Lille, Sean; Hayakawa, Thomas; Ross, Lonnie; Neumeister, Michael W.; Brown, R.E.; Russell, R.C.; Zook, E.G.; Mowlavi, A.; Murray, K.: Continuous postoperative catheter irrigation is not necessary for treatment of suppurative tenosynovitis; a bi-institutional review, Poster Award – First Prize, American Association for Hand Surgery Meeting, South Beach, Florida, January 5-8, 2000.
49. Jugenburg, M., Murray, K.A. (2002). The effectiveness of world-wide web search engines at finding plastic surgery-related information. *Canadian Society of Plastic Surgeons, Saint John, N.B., June 13, 2002.*
50. Fortin, A.J.; Skoracki, R., Murray, K.A., Latosinksy, S.: Evaluation of cosmetic outcomes in oncologic breast surgery, Canadian Society of Plastic Surgeons Annual Meeting, Whistler, B.C., June 27, 2003.
51. Arneja, J.; Hayakawa, T.E.J.; Murray, K.A.; Singh, G.B.; Turner, R.B.; Ross, L.L.; Bendor-Samuel R.: Hyperhidrosis: A five-year review of therapeutic efficiency and recurrence rates using an arthroscopic shaver technique, presented at Canadian Society of Plastic Surgeons Annual Meeting, Whistler, B.C., June 28, 2003 and 43rd Annual ASPS/PSEF Senior Resident's Conference, March 18 – 20, 2004, Milwaukee, WI; Awarded Best Reconstruction/ Burn Paper.
52. Bain, J.; Richards, R.; Murray, K.A.: The Great Debate: Open vs Endoscopic Carpal Tunnel Release, Canadian Society of Plastic Surgeons Annual Meeting, June 28, 2003.
53. Skoracki, R., Westberg, K., Murray, K.A.: Dilaudid epidural and intravenous PCA morphine in postoperative TRAM patients: A comparison. Presented at Canadian Society of Plastic Surgeons Annual Meeting, June 9, 2000.
54. Al-Ghamdi, K., Murray, K.A.: Winnipeg experience in radial nerve entrapment neuropathies over the past 20 years. Presented at Canadian Society of Plastic Surgeons Annual Meeting, June 9, 2000.
55. Low, M., Murray, K.A.: A comparison of ipsilateral and contralateral pedicled TRAM flaps for breast reconstruction. Presented at Canadian Society of Plastic Surgeons Annual Meeting, June 9, 2000.

69. Murray, K.A.; Three Presentations: (1) Axillary Hyperhidrosis – a five-year review; (2) Medial Pedicle Breast Reduction; and (3) Double Breast Capsules with the use of Textured Anatomic Implant. 20th Annual Virgin Islands Workshop in Plastic Surgery, January 2006
70. Murray, K.A., Islur, A.: Utilization of a medial pedicle and modified wise pattern skin excision in bilateral reduction mammoplasty: applying techniques learned from the vertical reduction mammoplasty. Canadian Society of Plastic Surgeons Annual Meeting, Quebec City, June 15, 2006.
71. Islur, A., Memauri, B.F., Bock, H., Turner, R.B., Murray, K.A.: Morphological analysis of the carpal tunnel and median nerve following endoscopic carpal tunnel release. Canadian Society of Plastic Surgeons Annual Meeting, Quebec City, June 16, 2006.

72. Murray, K.: All thumbs. 21st Annual Virgin Islands Workshop in Plastic Surgery, St. John, USVI, January 29-February 2, 2007.
73. Islur, A., Memauri, B.F., Bock, H., Turner, R.B., Murray, K.A.: Morphological analysis of the carpal tunnel and median nerve following endoscopic carpal tunnel release. 21st Annual Virgin Islands Workshop in Plastic Surgery, St. John, USVI, January 29-February 2, 2007.
74. Murray, K.A.: PIP arthroplasty – the lateral approach to ascension arthroplasty. 22nd Annual Virgin Islands Workshop in Plastic Surgery, St. John, USVI, January 28-February 1, 2008.
75. Murray, K.A., Islur, A., Bjorklund, K.: The abutment test method of improving complete carpal tunnel release with endoscopic technique. 22nd Annual Virgin Islands Workshop in Plastic Surgery, St. John, USVI, January 28-February 1, 2008.
76. Murray, K.A.: Malpractice or poor complication – a case review. 22nd Annual Virgin Islands Workshop in Plastic Surgery, St. John, USVI, January 28-February 1, 2008.
77. Islur, A., Memauri, B.F., Bock, H., Turner, R.B., Murray, K.A.: Morphological analysis of the carpal tunnel and median nerve following endoscopic carpal tunnel release. American Society of Peripheral Nerve, Los Angeles, CA, January 12, 2008. *Won best clinical paper.
78. Murray, K.A.: Three Presentations: 1) A beginner does MACS; 2) Facial fat grafting: a case of interest (a work in progress); 3) Rhinoplasty gone wrong: a difficult patient problem. 23rd Annual Virgin Islands Workshop in Plastic Surgery, St. John, USVI, January 26-30, 2009.

PRESENTATIONS (MANITOBA)

1. Faculty – Microsurgery Day – University Faculty of Medicine Centennial Program – Lectures and Practical Session.
2. Hutfluss, G., Riese, K., Singh, G.B., Murray, K.A.: Reconstruction of upper cervical oesophagus using a revascularized jejunal graft. Presented at the American College of Surgeons Manitoba chapter Meeting, Winnipeg, December 6th, 1986.
3. Al Quattan, M., Murray, K.A.: The arcade of Struthers – anatomical study. Presented at Residents Day 1987. Presented at American College of Surgeons Manitoba Chapter, 1987.
4. Murray, K.A.: Blepharoplasty and overview of microsurgery. Presented to the Manitoba Optometric Society, Elkhorn Lodge, Manitoba, October 22, 1989.
5. Discussant for presentation on experience with the floating forehead in craniofacial surgery at the 14th Annual Surgical Research Symposium in Winnipeg, May 12th, 1989.
6. Murray, K.A.: Discussant for presentation on the effect of carbon dioxide laser on wound contraction and epithelial regeneration in rabbits at the 15th Annual Surgical Research Symposium in Winnipeg, April 20, 1990.
7. Murray, K.A.: Breast reconstruction after mastectomy, Reach to Recovery Open Meeting (Cancer Registry), Winnipeg, March 1992.
